Hello

Welcome

Thank you for registering and joining Activ8 Trampoline club.

We are committed to ensuring that every member enjoys being part of the club in a rewarding safe environment that provides opportunity to build confidence, progressive progress, wellbeing and personal development.

All provided and supported by our dedicated coaches, committee and volunteers.

Activ8 Trampoline Club
has been at this venue since 1990
when the centre opened.
Founded by Andy Jennings and
Deb Danks.
Starting with 1 trampoline and
developing year on year to finally
achieve their dream of a
permanent dedicated set up.

All our members are important to us, who we are always proud of their personal progress, their dedication and enthusiasm.

We appreciate all the support our volunteers give to the club and always welcome new volunteers in any capacity.

As it is said 'Every little helps'.

Thank You
