## BIRMINGHAM MARCH 23<sup>RD</sup>/24<sup>TH</sup> 2024

**We recommend that all competitors, coaches and officials are conversant with the information contained in the notes below. Please ask for clarification if required.**

- The 2024 League qualification event in Birmingham is the largest we have ever hosted with almost 1400 competitors. This has created some logistical difficulties, so we are asking for your usual patience and co-operation regarding timetabling and request also that clubs make sure all listed officials, including reserves, are available at the correct times.
- We have attempted to avoid any cross competing but mistakes on an entry as large as this are possible, so please check every group your competitors have entered and let us know asap if anyone is down for competing at the same time in two different events. Check competition numbers against the phase listed first because though some TRI, DMT AND TRS events overlap competitors in these have been drawn to avoid a clash.
- There will be a small entry charge for spectators only and there is a car parking charge at Birmingham University of £5.00 per day.
- We will have on sale our 2024 League merchandise featuring yet another terrific design by Philip Birkett.
- For the purposes of a smooth and continuous running timetable and reasonable finish times, qualification rounds and finals will run with panels operating autonomously throughout both days with presentations for all events taking place at the conclusion of each competition group.
- Competitors and clubs do not need to be checked in.
- Any competitor substituting into competition who is not already listed in an event on either day must abide by the rules stated in the handbook and must show a current BG membership card to the Head of Events who will facilitate the substitution.
- Coaches must submit difficulty cards to the correct Panels by the beginning of general warm up. Please make sure that the difficulty card is completed in full, the required moves have an \* and that the difficulty has been calculated.
- All listed officials and reserve officials must check the official's notes for meeting times and other relevant information.
- Please note that the organisers reserve the right to run one hour ahead of scheduled time.
- Competitors are not permitted to change their scheduled flight.
- Warm up will be general and will last for as long as the time specified in the timetable, unless every competitor in the group agrees they have received sufficient warm up, in which case general warm up may be reduced. The 'one touch' will commence after the completion of general warm up.
- **Due to very large numbers, League 3 TRI warm up has been timed to allow a minimum of three only and a one touch. League 2 and League 1 competitors have been timed to allow a minimum of four warmups prior to 'one touch'. These numbers are not guaranteed and are dependent on competitors splitting equally between trampolines. We apologise for the lack of warmup time and advise coaches to prepare gymnasts for this eventuality.**
- All finalists will receive at least one further warm up prior to competing in the final. Finalists from groups where there is more than one flight will receive two warmups, unless they competed in the last qualification group prior to finals, in which case they will receive one.
- Competitors must be ready with spotters in place for competition.
- Results will be accessible live on the League results app.
- We hope you enjoy the event, and we welcome your feedback to Andrew Wood – [andrew@trampolineleague.com](mailto:andrew@trampolineleague.com)

# TRAMPOLINE CUP RULES

## INTRODUCTION

The highest ranked top 8 male and female voluntary scorers from the TRI League 1 (15+) and Super League events will be invited to participate free of charge in the Trampoline Cup. (There will be separate male and female groups at the League Finals).

## ELIGIBILITY

Eligibility is through entry into the above TRI events, though there is no compulsion to take part. If a top 8 ranked competitor does not wish to participate or a competitor is ranked in the top 8 twice, the next ranked competitor will be invited. The rankings determine the position on the tree and therefore the sequence of competition. The lower ranked of the competitors will always compete first.

## COMPETITION FORMAT

Competitors will compete as follows:

**Round 1 of TRI Cup:** A 2 element exercise. Both elements of which must be 270° of somersault rotation or more.

# DMT CUP RULES

## INTRODUCTION

The DMT Cup is the League's exciting knockout style event. The top 8 highest preliminary scorers from the male and female 13+ League 1 and Super League events are invited to participate free of charge. (There will be separate male and female groups at the League Finals).

## ELIGIBILITY

Eligibility is through entry into the above DMT events though there is no compulsion to participate in the event. If a top 8 ranked competitor does not wish to participate or a competitor is ranked in the top 8 twice, the next ranked competitor will be invited. The rankings determine the position on the tree and therefore the sequence of competition. The lower ranked of the competitors will always compete first.

## COMPETITION FORMAT

Competitors compete with one exercise each and the one with the highest score will progress to the next round. As this is a standalone competition competitors may repeat elements that they used in the League events without penalty. Competitors cannot however repeat elements used in earlier rounds of the DMT Cup, i.e. a competitor will need to use up to 3 different exercises in the DMT Cup. In the event of a tie, the highest ranked competitors from the preliminary rounds will progress.

## ADDITIONAL INFORMATION

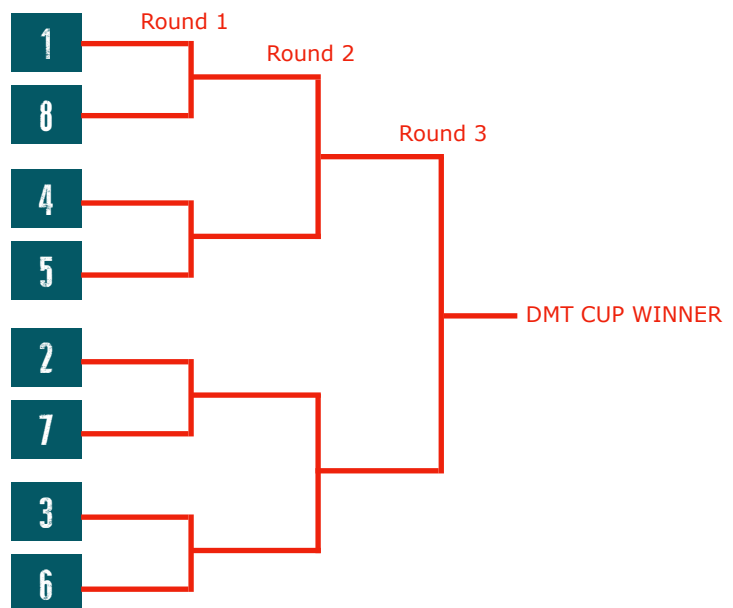

Tariff sheets are not required for any of the three event rounds. FIG scoring will be used and for all three rounds.

## PRIZE MONEY

A cash prize will be awarded to the winner only with no prizes for lower ranked competitors.

Andi Revell  
Judging CoOrdinator

andi@trampolineleague.com

Hi Everyone!

I'm incredibly honoured to be taking over from the fantastic Yasmin Stammers as the new Judging Coordinator for the League. Yasmin has left me some big shoes to fill and I hope I can keep up the good work! I appreciate your help and support as I settle in to this role and look forward to working with you all in the future!

My aim is to try and help to develop officials in all roles across the season, working with experienced officials to help offer new opportunities to those who wish to take them. With that in mind, you may see some new faces taking on various roles across the event - please give them all the patience and understanding that they need to thrive! If anyone is looking to try out new roles, please make sure to submit these requests during the entry process and I will try and take as many in to account as possible!

A few important points to be aware of:

## OFFICIALS MEETING

There will be an officials meeting at 8:30am on Saturday and 8:00am on Sunday. Please make sure ALL officials attend, including reserve officials. There will be a new sign-in process for officials to try and speed up the start of the day - please make sure you are in attendance at the start of the meeting! Officials should then report directly to their panels for trial judging and a briefing from their Chair.

## OFFICIALS ATTIRE

Officials are reminded to wear a black or navy trousers/skirt and white shirt/blouse, whilst marshalls are requested to wear attire suitable for the field-of-play. Please do not wear any clothing branded to any club whilst carrying out an officials role at the event. Officials also need to bring their own pen!

## OFFICIALS REFRESHMENTS

Refreshments will be available for all officials, but please remember to bring your own refillable cup! Lunch will be provided for every official - please send across any dietary requirements that you may have as far in advance as possible.

## OFFICIALS UNAVAILABILITY

We do understand that sometimes an official cannot attend an event for various reasons. Should this be the case, please remember it is the responsibility of the club to provide a suitably qualified replacement or risk entries being removed. Please send across any changes to your officials by email with as much notice as possible.

## OFFICIALS HALF-DAYS

We know that League events can be long days! Therefore, if another suitably qualified official from your club is willing to swap with you half-way through the day this can be arranged, however please note that the same judging panel must judge all flights of the same age group.

## OFFICIALS TRAINING

Please remember that it is not suitable to train officials on the day of the event. Please make sure to prepare your officials for the role they are going to be carrying out and the responsibility that they will have during the day - this includes being in attendance all day! Anyone selected as a Chair or Difficulty Judge should make sure to fully read and understand the requirements for each event that you will be part of, and bring copies of the requirements where needed.

## OFFICIALS HELP

In advance of the event, please send any questions to me at [andi@trampolineleague.com](mailto:andi@trampolineleague.com) and I will try my best to help! Once at the event, should you require any help throughout the day please come and find me or ask any of the Events Team to radio me directly. For any issues relating to League Score, please see Mark at Mission Control.

Thanks again for your support, and I look forward to seeing you all in Birmingham!
